

LINE TECHNICIAN (LINEMAN)

SOUTHSIDE ELECTRIC COOPERATIVE, INC. DINWIDDIE, VIRGINIA

Southside Electric Cooperative is looking for two experienced Line Technicians to join our Eastern District team located in tranquil Dinwiddie, Virginia.

SEC Line Technicians perform in all areas and aspects of utility line work including, but not limited to: overhead distribution, transmission, underground, and communication circuits. They know substation procedures and can isolate and troubleshoot line apparatus as needed. They know and understand the Cooperative's electrical system and make decisions to maximize the efficiency of operations.

If you have at least five years of progressive experience in line work with proven experience in the following areas, we want to hear from you!

- Operation of all overhead and underground distribution line equipment, transmission line equipment, and substations.
- Pole climbing and operating aerial equipment.
- Operation of line and bucket trucks and related equipment.
- Rural Utilities Service (RUS) construction specifications, or the ability to read, understand, and apply construction specifications.

Qualified applicants have completed a Lineman Apprenticeship Program or the equivalent in training and experience. High school diploma or GED required. Must have a valid Class A Virginia Commercial Driver's License or acquire one within three (3) months from date of hire. Must be able to meet the physical demands of the position.

At Southside Electric Cooperative, our Members are our first priority. Therefore, we are first responders when the lights go out. As a Line Technician with Southside Electric Cooperative, you are supported by a team that is ready to serve you. We are not intimidated by adverse situations – we know that extra hours will be necessary during emergencies. Like you, we are always ready to roll up our sleeves and get to work when the workload demands.

Southside Electric Cooperative offers a very competitive salary with an excellent benefits package in an amazing work environment.

Line Technicians live or are willing to locate within forty-five (45) minutes legal drive time of our Eastern District Office located in Dinwiddie, VA. We are conveniently located off Interstate 85 in Dinwiddie County, easily accessible from Prince George, Nottoway, and the greater Richmond and Tri-Cities areas.

The employment application can be found on our website at sec.coop and must be received by 5:00 p.m., Eastern Time, Tuesday, October 10, 2017 via email to sec.applications@sec.coop or fax to (434) 645-3202. You may also bring your completed application to the Southside Electric Cooperative Headquarters Office located at 2000 W. Virginia Avenue, Crewe, VA. We regret that we are unable to accept applications or resumes by mail.

Documents to establish identity and employment eligibility are required. Offers of employment are conditional upon a negative alcohol and controlled substance test.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, national origin, disability, or veteran status.

WE ARE PROUD TO BE AN EQUAL OPPORTUNITY PROVIDER AND EMPLOYER.
